

Right: Friends work through disagreements with a common goal in mind.
I had it first - RB
This is mine - FF
 Each friend wanted to sit on the green thinking pad, but since they wanted the same one, they decided:
We can both sit here! - Felix
Move over- Reed

Below: Friends cast their votes for our classroom name! It was a tie between Cicada & Woodpecker!

Above:
 Jonah- **You cannot open the chest! There's treasure in there!**
 Donovan- **What do we do?**
 Owen- **But I want to see inside!!**
 Jake- **Let's go get the bad guys! Over there in that ship!! Follow me!**

Cricket - Beetle - Cicada - Woodpecker - Owl

Above:
 Sam- **I want to make a sand castle!**
 Logan- **I help?**
 Maddie- **Yea, me too. I need a shovel though..**
 Holden- **Turn it over!**

Below: **Uly & friends** listen intently while we discuss engineering and read: **Rosie Revere, Engineer** by Andrea Beaty. We talked about always **trying** our best, and making a **plan**.

Left: **Uma** looks on as Ms. Loren passes the soccer ball to two friends down the hill. Holden and Owen race, but decide they both want a ball, so Owen chooses a green ball instead.
I got a big one! he shouts uphill.
I want a turn. Uma says
I can kick it up the hill to you! Watch! - Holden tells his friend.
