

Summer Camp Descriptions 2023

June 1-2, 2023, Session 1 – Mini Camp: Welcome to Summer! For this two-day mini session campers will be engaged in a variety of creative activities, water play, outdoor play and fun with friends. This is a wonderful transition to summer camp.

June 5-9, 2023, Session 2 – The Atelier: The atelier (studio) is the heart of creativity. This session will be a deep dive into the creative processes of art and ingenuity. Campers will have opportunities to explore a variety of materials and ignite their imagination and inventiveness.

June 12-16, 2023, Session 3 – Legos & Beyond: We're building dreams! Campers will explore architecture, building and problem solving through everyone's favorite: Legos. Other building materials will also be offered to take the small prototypes to a larger scale.

June 20-23, 2023 (closed June 19th), Session 4 – Games & Sports: Our fourth session will be a fun-filled focus on active play. Campers will explore board games, basketball, soccer and other games and sports in a non-competitive and teamwork based environment. Let the games begin!

June 26-30, 2023, Session 5A – Forest Adventures: During this special opportunity, campers will be outdoors most of the day. Each day will include a field trip to a natural, outdoor location and include hiking, climbing, active play, picnicking. This camp will be limited to 12 children. Campers will bring their own lunch each day.

June 26-30, 2023, Session 5B – Cooking Science: Put on your aprons! Learning where food comes from, how it grows and/or how it is prepared is the pathway to good nutrition. In this delicious session, we will cook, bake, make bread, and do a little gardening as we explore the science involved in the magic of cooking while learning about food among a variety of cultures.

July 3-7, 2023 (closed July 4th), Session 6 – The Wild Kingdom: Raaoooo!! This session is for all the animal lovers! We will explore and learn about animals from pets to the exotic (and maybe a few that are extinct).

July 10-14, 2023, Session 7 – Music: Rhythm & Sound: Everyone loves music! In this jam session, campers will explore rhythms of many countries and cultures. Guest musicians will visit to create interactive experiences that will take kids' understanding to a new level and send them home singing!

July 17-21, 2023, Session 8 – Superhero School: Everyone gets to be a hero at Superhero School! We combine the ideas of justice, courage and extraordinary ability with our imaginations to explore scenarios around improving our lives and the world. The result: through play, everyone becomes a little more super!
